Chapter 1 by Ashley

There once was a girl named Bella. She came back to earth. But she came back as a demon. She was an angel. But from hell. She loved to scare people. She loved haunting stores on halloween. She loved seeing the scared faces of costumers. Bella also liked scaring babies. She made them evil. On day, she went to a house. Both of the parents were screaming at each other. She went to a room. She saw a little baby. The baby she saw her. Bella made the baby a demon child. Bella smiled at the baby. She smiled back. The baby was one. She told the baby (When you grow up you will be like me beautiful, evil, and hate.) She put a dead rose next to the baby. The babys name was Rosie. Bella knew from that moment Rosie would be like her.
